## ALTERNATE TRANSPORTATION REQUEST

### PARENT/GUARDIAN NOTIFICATION

#### Waiver of Liability

**Please read the following information carefully prior to signing into this agreement.**

The Howards Grove School District provides transportation to and from athletic competition and other school sponsored events. In the interest of supervision, safety, and team rules, we respectfully request that all student participants use this available transportation. Should a situation exist where alternative transportation is absolutely necessary, a student may apply for exemption from school provided transportation by presenting this agreement and waiver of liability, signed by a parent or guardian, at least 2 days prior to the event. Driving to or from an activity, with a parent or guardian, for reason of convenience, is not considered a necessary means for alternative transportation. Failure of student athlete to present this liability waiver prior to using alternative transportation will result in a competition suspension.
