SCHOOL GUIDELINES

Our school reserves the right to edit ads per our guidelines. Please make sure all submitted materials are appropriate for school publication.

TIPS for creating your best ad

- Your photos will look and fit better if your photo is the same orientation as the picture box. (Horizontal vs vertical orientation.)
- Use clear, high-resolution photos. If your photo is blurry, it will be blurry in your ad.
- Choose photos from every moment of your students life, and pair them with a heartfelt message.
- Use the cropping tools on the website to crop out unnecessary background and focus on your student.
