

PRE-EMPLOYMENT PHYSICAL AND TUBERCULOSIS (TB) ASSESSMENT

Every new employee must have a TB assessment completed before the 1st day of work. (Substitute teachers and coaches require TB assessment only) It is completed by Aurora Occupational Health or Prevea Occupational Health and is the expense of the district. **When making an appointment, please inform the scheduler that you were hired as a coach or substitute teacher. TB Assessment only; physical is not necessary.** Please call to schedule an appointment:
