

Dear Parents,

To end the school year with a little excitement, we have planned an alphabet themed school day countdown! Each day there will be some sort of dress up, activity or bring to school item that relates to the letter of the alphabet we are on. Some days have more than one letter due to how many days we have left of school. This is an optional activity that your child may participate in. It will start Monday, May 8th! Let's have fun counting back our final days of the 2022/2023 school year!
