

## Northview

### **GAME ON** Instructor: Ms. Veldboom (Room 28) (Limited space)

Grade K - 3                      Maximum 8 per class

Students will play cards, board games, and many more while being engaged with learning. They will be asked to solve math problems, read snap words, or quickly write a sentence to win the game. For the lower grade levels, they will be asked to identify letters and numbers.

## Middle School

### **GET CREATIVE WITH CRICUT** Instructor: Mrs. Malone (Room 7) MAX reached

Grade 5 - 8                      Maximum 12 per class                      Fee: \$15.00

This course will teach you the basic skills in using a cricut machine! Learn to make paper crafts, door signs, water bottles, vinyl projects and more!

### **FISHING ROD BUILDING** Instructor: Mrs. Malone (Room 7) MAX reached

Grade 5 - 8                      Maximum 10 per class                      Fee: \$35.00

Learn to build a personalized fishing pole! This course will teach you the basics of rod building including cork application, thread tying, and epoxy application. Build a fishing pole you can use for years to come!

### **PSYCHOLOGY** Instructor: Ms. Ford (Room 8)

Grades 6 - 8                      Maximum 12 per class

Have you ever wondered, "Why does my brain do that?" Well, this class might be able to answer that question. In psychology, we discover some of the reasons why we are motivated, how we learn and remember things, parts of social aspects, and our personalities.

### **GEARING UP FOR FIFTH GRADE** Instructor: Mrs. Perronne (Room TBD)

Grade 5                      Maximum 12 per class

Gearing Up for Fifth Grade will help students get comfortable with the idea of middle school. We will brush up on some of our basic math skills, become familiar with the layout and location of classrooms, and begin to recognize the friendly faces we will encounter during the school year. Lastly, become pros at conquering our locker combinations. We will be able to start the new year with confidence and comfortability.

### **LET'S GET RAMBUNCTIOUS FOR READING!** Instructor: Mrs. Parnitzke (Room 20)

Grade 5 - 8                      Maximum 20 per class

Let's go into a new school year loving to read! Reading is essential and a necessary skill to be successful in many different school subjects. This class will prepare you for Reading/Writing units that will be taught this school year. Students will feel more prepared and ultimately, more excited about the new year! **BY**

**TEACHER RECOMMENDATION ONLY**

### **MATH MATTERS** Instructor: Mr. Kalk (Room 18)

Grade 5-8                      Maximum 12 per class

There are matters in math that matter a great deal in our lives. Come join in the discovery of Math and learn how Math relates to our lives every day! Learn important Math facts and concepts everyone needs to master to be successful in Math class and beyond. Gear up for the new school year and learn what matters in life—MATH! **BY TEACHER RECOMMENDATION ONLY**

### **LEADING WITH A VISION** Instructor: Mrs. Hoerth (Room 22)

Grade 7 - 8

If you are looking for a way to work with others to make a positive difference in your life, your school, and your community, then this is the perfect class for you. This summer school class focuses on how to be an effective leader, how to build positive relationships, and how to make a difference in your school and community. You will learn fun, new icebreaker games and activities to help you get to know each other and build connections, plan fun events and activities for the upcoming school year, and build leadership skills that help you become a strong leader. We will look for ways to make a difference in our school and community. If you are interested in becoming a better leader or are interested in joining the Middle School Student Council, then this is the perfect way to get started! **Note: This class meets August 7 -**
